Velkommen til Tivoli Ballet Skole

Da vi startede Tivoli Ballet Skole, var det vigtigt for os, at starte en balletskole med fokus på kvalitetsundervisning varetaget af nogle af de bedste balletlærere og instruktører i Danmark. Det var også vigtigt for os, at etablere en balletskole, hvor børn og unge har mulighed for at starte og gradvist dygtiggøre sig i trygge og hyggelige rammer. Til sidst og måske allermost vigtigt, at tilbyde de elever der vælger Tivoli Ballet Skole mulighed for at komme på scenen og optræde i Tivoli Ballet Teaters forestillinger på Pantomimeteatret og i Koncertsalen. Vi havde også en vision om at skabe et elitemiljø på balletskolen, til de få udvalgte der ønsker ekstra undervisning i form af klassisk ballet, moderne dans, mimik samt fysisk og mental træning.

Det er nu en realitet, og vi er utrolig glade og stolte over det undervisningstilbud, vi har sat i gang. Vi er sikre på, at vi vil tiltrække mange børn og unge med lysten til at danse, og vi glæder os til at byde mange nye elever velkommen her i Tivoli.

Med venlig hilsen

Balletchef	Leder af balletskolen
Peter Bo Bendixen	Niels Balle

A confirmation will be sent to your email adress.

The screenshot shows a payment interface for Tivoli Balletskole. At the top, the title "Tivoli Balletskole" is displayed. Below the title, there is a breadcrumb trail: "Vælg betalingstype > Gennemfør betaling > Kvittering". The main form area is divided into two columns. The left column contains three input fields: "Kortnummer:" (a long text box), "Udløbsdato (mm/yy):" (two small boxes for month and year), and "Kontrolcifre:" (a small box with a blue information icon). Below these fields is a button labeled "Gennemfør betaling". The right column features the DKK logo, the text "(Skift betalingstype)", and a summary of the payment: "Ordrenr.: 14230000028043", "Type: Betaling", "Valuta: DKK", and "Beløb: 2.400,00". At the bottom left of the form is the QuickPay logo, and at the bottom right is the text "Certified by Payment Card Industry All communication is SSL encrypted".
